

NTF WORKSHEET

Practice interview questions

Introduce yourself...

Tell me about a time when you overcame a challenge...

What's your greatest strength?

What's your biggest weakness?

What should I know that's not on your CV?

When they say, do you have any questions ALWAYS ask something, try:

What do you like most about working at the company?

What are your business goals this year?

What is the key core value of your business?

What does a typical day in the role look like?
